  - Plan some favorite family treats for snacks or desserts.
- Pause household chores. This is *your* time for refreshment.
- Create a comfortable, quiet space where you can fully engage.
- Hire a babysitter or have activities ready to engage younger children.

### Test your tech

- Reset your wifi for best connection
- Where will each participant in your home connect without interference?
- Join the CFC Check-in connection on your conference device on Monday before your CFC. (look for email with details)

### Prepare to engage

- Download and print the free emotes on the CFC website. These are fun tools for audience participation for the whole family.
- Print the Young Communicators for Christ (6-10 year old) activity sheets for your young students also available on our event website.
